Conditions of this Great Contest

Every subscriber who names the regular subscription price for a year's subscription to the Breathitt County News will be entitled to two guesses and will receive from us a certificate of each of these. These certificates will entitle him to any prize which his guess is nearest to the actual election. When you send us your subscription also send us your guess as to the **Total Vote** for the election November 8th, for the election of **PRESIDENT**. In making your guess state the figures before naming the **total vote** for **PRESIDENT** from Lincoln to McKinley. With your name address and estimate of the vote of the other states. Below follow and mail the **BLANK** with your subscription to The Breathitt County News. The **BLANK** will be sent to you regularly and you will receive certificates containing the figures of the guesses which you make. These certificates will entitle you to any prize which your guesses entitle you to. Keep the certificates until the prizes are awarded, so that you can compare your figures with the official figures in the close of the contest. The contest will close at midnight, November 8th, and no estimate received after the 10th will be counted. The official figures of the government in giving the total vote cast for the office of President will determine who are entitled to the prizes and the awards will be made by a drawn lot, except in case of a proposed tie, but as soon as the official figures can be ascertained. When the prizes are awarded every subscriber who has a certificate in the contest will receive a printed list of the winners. In addition to the large general prizes there are **Eight Special Prizes of \$500.00** each for early subscriptions. All have an equal chance to win these magnificent prizes. Those who estimate or guess now have a chance to win a special prize just as good as those who win the **capital prize of \$10,000.00** as the one who gets the guess on the 1st day of the contest. Any one can buy a **fortune** today. The money with which to pay the prizes is to be deposited by the Press Publishing Association, in the Neutral Savings Bank, Detroit, Mich., and so used for no other purpose. To ensure a fair and individual prize each prize will be explicitly divided between the contestants.

Participation in this contest is not confined to our readers, as the contest is being advertised in a number of other publications, the subscribers to all of which have an equal opportunity to share in the distribution of the prizes.

EVILS OF LIFE.

Some of the people in this neighborhood are doing living by earn while others are over the first name.

Your correspondent planted his pumpkins and beans on the 1st of July. We had some fine rains this past week.

John Roberts, lost two angles and Henry Roger, three houses and Robert Gay five logs at Mansfield Church house last Sunday a week ago by lightning.

Corn crops are looking fine in most of the country.

The people have begun to eat the rains.

G. B. Rose left here last Monday with a car load of cattle.

There are about twenty six wagons having slaves from Frankfort to tell us this writing.

Twenty six boys and girls took down with "Few clothes" last Sunday and seemed to enjoy themselves largely but none seemed to have a better time than you respondent.

Mr. Isaac Terry Jr. sold \$4000 worth of timber on the head of Bryant creek a few days ago to some slaves.

Our slaving school at Meadow Creek taught by Prof. Miller was a success.

Rev. M. C. Taylor preached at the mouth of Cow creek last Sunday to a big crowd of people.

Free Clothes.

WAR PEACE.

Step! Look! Listen! Oh you folks bound innumerable who are taking men's lives which you can never give back because it is appointed unto me to die, and after that the Judge said. If men would only do to me that they would have me do to them there would never be another man called from amish. Don't be deceived. God is not mocked. For what saith a man soweth that shall be reaped. They that have killed a man in no danger of judgment. The blood which they have shed will be required at their hands. There is money now but when money is no more and justice takes place what will be the results. According to the testimony of God's word they will be cast into the lake of fire where the worm dieth not and the fire is never quenched.

The engine, after running into the switch, struck a string of freight cars, and, with the first three coaches, was piled into a heap across the track and caught fire immediately. The last car on the train was a special from Wisconsin. It was unoccupied, pushed back and saved.

Hon. L. R. Mills, one of the dead was internal revenue collector at Decatur, and one of the most prominent Republicans in central Illinois.

Revolution in Uruguay.

Buenos Ayres, Argentina, June 20.—Disputes from Bage, a Brazilian town near the Uruguayan frontier, report a courier sent by Saenz arrived there with a report of the battle of Tuyamana, Uruguay. The fight began Wednesday of last week and continued the following day. The government forces had 600 killed and 800 wounded, while the revolutionists suffered 600 killed and 500 wounded. The revolutionists captured a big quantity of war supplies. Another dispatch from Bage says the rear of the revolution ary forces under Mariano Saravia, brother of the leader of the revolutionists, is pursuing the government troops under General Benavente. The revolutionists occupy excellent positions.

Firemen Overcome.

New York, June 20.—Forty-three firemen, four of whom will probably die, were overcome by smoke and gas at a fire in the subbasement of the double five-story brick building at 325 Broadway, extending through to Mercer street. Half a hundred employees were driven from the building, and the damage is estimated at between \$15,000. Captain Edward Levy and Firemen Patrick McKeever, John Vandross and John Riley will probably die from their injuries, while Battalion Chief William Guerin, Lieutenant John H. Link and five firemen are in a dangerous condition, and 32 others were less seriously injured.

Reported Man Returns.

Telluride, Colo., July 5.—Harry A. Flenton, manager of the People's Supply company store in this city, who has been twice deported by the Chinese authorities, has returned. He was not molested. "I am going to stay here and defend myself and my rights," he said. "I have had the best legal advice and was told to stand on my constitutional rights as a citizen and not submit to the tyrannical and oppression of the Chinese Alliance." The only accusation ever brought against Mr. Flenton was that he transacted the financial business of the Chinese.

SCORE KILLED.

An Open Switch Wrecks the Wabash Limited Train.

Litchfield, Ill., July 1.—The Chicago limited on the Wabash railroad, due to St. Louis at 7 p. m., and half an hour late, was wrecked inside the city limits here. The train struck an open switch and was overturned, and seven of the nine cars derailed. It is believed that 20 persons were injured in the second and third coaches and that 40 were injured. The injured are being cared for in the St. Francis hospital in this city. Nineteen bodies have been recovered.

The engine, after running into the switch, struck a string of freight cars, and, with the first three coaches, was piled into a heap across the track and caught fire immediately. The last car on the train was a special from Wisconsin. It was unoccupied, pushed back and saved.

Hon. L. R. Mills, one of the dead was internal revenue collector at Decatur, and one of the most prominent Republicans in central Illinois.

Revolution in Uruguay.

Buenos Ayres, Argentina, June 20.—Disputes from Bage, a Brazilian town near the Uruguayan frontier, report a courier sent by Saenz arrived there with a report of the battle of Tuyamana, Uruguay. The fight began Wednesday of last week and continued the following day. The government forces had 600 killed and 800 wounded, while the revolutionists suffered 600 killed and 500 wounded. The revolutionists captured a big quantity of war supplies. Another dispatch from Bage says the rear of the revolution ary forces under Mariano Saravia, brother of the leader of the revolutionists, is pursuing the government troops under General Benavente. The revolutionists occupy excellent positions.

Firemen Overcome.

New York, June 20.—Forty-three firemen, four of whom will probably die, were overcome by smoke and gas at a fire in the subbasement of the double five-story brick building at 325 Broadway, extending through to Mercer street. Half a hundred employees were driven from the building, and the damage is estimated at between \$15,000. Captain Edward Levy and Firemen Patrick McKeever, John Vandross and John Riley will probably die from their injuries, while Battalion Chief William Guerin, Lieutenant John H. Link and five firemen are in a dangerous condition, and 32 others were less seriously injured.

Reported Man Returns.

Telluride, Colo., July 5.—Harry A. Flenton, manager of the People's Supply company store in this city, who has been twice deported by the Chinese authorities, has returned. He was not molested. "I am going to stay here and defend myself and my rights," he said. "I have had the best legal advice and was told to stand on my constitutional rights as a citizen and not submit to the tyrannical and oppression of the Chinese Alliance." The only accusation ever brought against Mr. Flenton was that he transacted the financial business of the Chinese.

Frank Daniel and wife, Leona Barnes and wife, and their guests Mr. and Mrs. Jesse Steele of Salt Lake City made an excursion to the Natural Bridge on the afternoon of the 11th.

Frankson the R. R. & B. S. R. R. had just opened operation Tuesday after being held up for the last ten days on account of collapse of 200 feet of trestle.

Row Started by Negroes.

Sharon, Ga., July 5.—At Hillman, where thousands of negroes assemble every fourth of July, a row was started by two negroes, Ed Miller and Andy Seals. Marshal Sturdevant tried to quiet them, but when several negroes interfered, he caused a general riot. Gays, pistols, knives and sticks were used freely. Newton Harris was shot through the stomach and killed outright. His brother Ned Harris, was cut across the head and seriously injured. Four or five others received severe wounds. The negroes fled.

Another Reduction of Force.

Philadelphia, July 1.—The working force of the Pennsylvania railroad's operating department has been decreased 11 per cent, and all other departments have undergone a 5 per cent reduction. A statement to this effect was officially made at the company's general offices. It was announced that the reduction will be enforced throughout the entire system, both east and west of Pittsburgh. This affects more than 30,000 men, and it is the greatest cut made in years.

Who Is To Blame?

We had hoped that our county had passed through its era of lawlessness, bloodshed and murder but when we know that four men have been killed in this county in less than three months, it seems safe in this county as it should be.

The Substitute

BY WILL N. HARREN

Author of "Abner Daniel," "The North Walk Mystery," Etc.

IN THIS PAPER

The Substitute, by Will N. Harren, the distinguished author's highest achievement and one of the best stories of American life ever written will be printed serially in this paper.

PRaise FROM THE CRITICS

Decidedly original motive and full of quaint folk portrayed with fidelity. A very human story that makes it a picture of real American life.—Brooklyn Eagle.

A wholesome, well told story. The plot is fresh, many of the events unfolded come upon the reader as surprises and throughout the story is the racy vigor that results from a deep, true knowledge of the region depicted and the mental grasp to project it.—Literary Digest.

The Substitute is a better book than Mr. Harren's greatly praised Abner Daniel.—Ella Higginson in the Seattle Times.

A sound, wholesome tale of North Georgia life with real raciness and humor and character. It is as good as Mr. Harren's Abner Daniel and that is saying not a little.—Hamilton W. Mabie in The Outlook.
